Smart tools and smarter ecosystem An act of congress directs the secretary of state to keep the seal of the united states, 'to make out and record, and affix the said seal to all civil commissions to officers of the united states to be appointed by the president, by and with the consent of the senate, or by the president alone; Provided that the said seal shall not be affixed to any commission before the same shall have. Apr 22, 2010 · however, when we dig into the history of congress, it seems that the filibuster was created by mistake. The house and senate rulebooks in 1789 were nearly identical. Leaders such as george washington and thomas jefferson hoped their new government, founded on the constitution, would be motivated instead by a common intent, a unity. But political parties did form in the united states, with their beginnings in washington's cabinet.
