Member of Parliament, tutor to Oliver Cromwell’s ward, satirist, and friend of John Milton, Andrew Marvell was one of the most significant poets of the seventeenth century. The Complete Poems demonstrates his unique skill and immense diversity, and includes lyrical love poetry, religious works, and biting satire. From the passionately erotic “To His Coy Mistress” to the astutely political Cromwellian poems and the profoundly spiritual “On a Drop of Dew,” in which he considers the nature of the soul, these works are masterpieces of clarity and metaphysical imagery. This Penguin Classics edition includes authoritative texts of these poems, based on a detailed study of the extant manuscripts, and a new introduction by leading scholar Jonathan Bate. Also included are a chronology, further reading selections, appendices, notes, and indexes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Errors in the text grew in number in subsequent

Andrew Marvell (1621-78) is best known today as the author of a handful of exquisite lyrics and provocative political poems. In his own time, however, Marvell was famous for his brilliant prose interventions in the major issues of the Restoration, religious toleration, and what he called “arbitrary” as distinct from parliamentary government. Marvell Poems - Andrew Marvell - 2004
He is known chiefly for his brilliant lyric poems, including "The Garden," "The Definition of Love," "Bermudas," "To His Coy Mistress," and the "Horatian Ode" to Cromwell. Marvell's work is marked by extraordinary variety, ranging from incomparable lyric explorations of the inner life to satiric poems on the famous men and important issues of his time-one of the most politically volatile epochs in England's history. From the lover's famous admonition, "Had we but World enough, and Time, / This coyness, Lady, were no crime," to the image of the solitary poet "Annihilating all that's made / To a green Thought in a green Shade," Marvell's poetry has earned a permanent place in the canon and in the hearts of poetry lovers.
